## 12th September 2014

### Water Bottles

School have purchased enough water bottles to be able to give one to each child in the school through the new Sport Premium. This will ensure that each child always has a water bottle in school as we will keep them here and they will remain the property of the school. They will be cleaned and refilled each day and each child will have their name on their bottle. From Monday it will no longer be necessary to send a water bottle in to school with your child.

- ★ Well done to you all.

### Uniform

Could we please ask parents to check that the uniform that their child has brought home, belongs to them. We have a couple of items of clothing that have been taken home by someone else by mistake.

It would be really helpful if you could put your child's name into their uniform to help us and your child to identify them. Thank you.

### Sarah Pybus Franklin

Sarah would like to say a big THANK YOU to everyone that took part in her creative activities during the summer holidays. She assures me that the children were all very well behaved.

Film Club run by Sarah is starting back on Thursday 2nd October from 5.30 pm to 7 pm.

### Free School Meals

Your child has brought home a Free School Meals (FSM) Verification Sheet, could I please ask you to fill it in and we will run a check to see if your child is eligible. Please return the form to school as soon as possible.

Even though Class 1 get free meals, could I please ask parents to still fill in and return the form.
