Bird Boxes

Robin Laycock came back to school on Monday and has put up the bird boxes that the children made. We are hoping to get one of the boxes fitted with a camera and linked to a laptop after the holidays so that the pupils can see what happens. We will keep you posted.

E-Safety Week

This week is e-safety week so Mr. Brown has been talking to the children about staying safe on the internet and he has explained about cyber bullying. We have put a link on our website for parents to have a look at to get more information.

Badger Watch

As part of their Neighbourhood Watch Scheme, Class 3 had a talk this week about badgers. They learned how to spot a badger's set and about the kinds of environments they prefer to live in. The children found it really informative and would like to say a big thank you to Graham Temby who gave a very interesting lesson.

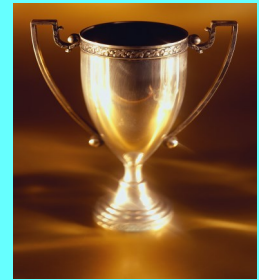

Pupil of the Week

Well done to you all!

Snack Money

Our afternoon snacks are still going very well, the children are enjoying their food and drink and school have been able to buy some activities for the children from the money that we have made. If you would like your child to have snack next half term please send in £1 each week or £6 for the half term.
