

'Learning Today For Life Tomorrow'

Our Curriculum Vision

Our aim is to provide our children with an engaging, exciting and empowering curriculum that equips them for Learning Today for Life Tomorrow. At Ramshaw Primary school our curriculum is designed to:

Recognise children's prior learning, provide first hand learning experiences, allow the children to develop interpersonal skills, build resilience, become creative, critical thinkers, be problem solvers. To enable our children to gain skills to be successful, independent, motivated learners in preparation for the next stage in education and life beyond.

Through our curriculum we strive to develop the skills, knowledge and learning attitudes of our pupils so that they may become the best that they can be.

We aim to encourage the children to develop their understanding of their local and national heritage and their role in modern Britain today.

Our aim is for our children to embrace all that multi-cultural Britain has to offer so that they can develop their understanding of the Global world of which they are a citizen of the 21st Century.
