

Ramshaw Primary School

Our Vision

'Learning today for life tomorrow'

As a small school we pride ourselves on our caring staff who know and respect all children and their families.

At Ramshaw Primary School staff and governors aspire to the following:

- To provide a positive, safe and stimulating environment for children to learn where everyone is valued and treated as individuals.
- To commit and ensure that the children gain enjoyment from their learning and become independent life-long learners, to achieve their full potential.
- To strive to develop self-confidence, self-motivation and resilience in all our pupils.
- As a school we endeavour to promote an ethos of enquiry based learning throughout the curriculum and beyond.
- Promote all aspects of British life and culture to prepare children for life in modern Britain.
- The school has a full inclusive environment with equal opportunities for all.
- Strives to create exciting, safe and secure places, indoors and outdoors, where children can explore, discover and experiment.
- Through the use of our Forest school environment we encourage problem solving and risk taking.
- Working in partnership we strive to be an integral part of the local community and forge links with the wider world.
- We will praise and celebrate the achievements both in and out of school of every child.
- That other cultures are understood and embraced for their richness and diversity, and are seen as yet another learning opportunity.

Our children will be:

Respectful

Aspirational

Motivated

Successful

Honest

Aware

Welcoming
